SUPPORTING REPORTS TO FULL COUNCIL – 16 JANUARY 2023

Agenda Item 10: To note change of meeting dates.

Background:

Due to the number of bank holidays in April and May, particularly those falling on a Monday, it is necessary to alter some meeting dates.

The meeting dates for April and May 2023 will be as follows:

Tuesday 4th April: Joint Burial Committee

Monday 17th April: Annual Town Meeting of Electors

Monday 24th April: Planning & Highways Committee and Full Council

Monday 15th May: Planning & Highways Committee and Amenities Committee

Monday 22nd May: Full Council (Annual Town Council Meeting)

A full schedule of dates for the 2023/24 municipal year will be circulated in due course.

Agenda Item 11: To review charges to sports clubs following a mid-season review.

Background:

The charges to the three sports clubs which use the facilities at the George Reynolds Centre were not increased at the beginning of the 22/23 and it was agreed that the Council would review the charges in December 2022 in light of rising costs and utility bills.

Proposal:

It is proposed to increase the season charges to the three clubs by 10% to take account of the increase cost of utilities. This is consistent with the increases applied to hire charges for all the Council's venues and facilities.

In the case of the Rugby Club, usage of the GRC is higher than the other clubs. They operate a bar when there are home fixtures and also use the Beech room, Oak room and have the use of the kitchen when required. The Club generates income from the bar takings.

It is therefore proposed that the standard bar hire charge of £33.20 should apply when the Club uses the bar.
