

Teresa Bond

Crewkerne Town Council is saddened to hear of the passing of serving Town Councillor Teresa Bond on Friday 2<sup>nd</sup> August.

Teresa was a much respected and admired member of Crewkerne Town Council. Having moved to the area over 25 years ago, Teresa and husband Ron first served as Town Councillors together some years ago, when they were particularly involved in the development of the new playground at Henhayes. Teresa then returned as a Town Councillor at a by-election in 2021, as she was keen to make a difference to the town that she lived in and loved. Teresa was instrumental in delivering the nature trail at Bincombe Beeches and designed the first activity sheet for children to use at the Reserve. As Chair of the Planning and Highways Committee, Teresa navigated the way through many complex planning applications, often asking difficult questions to make sure responses were robust. Outside of the Town Council, Teresa served as President of the League of Friends of Crewkerne Hospital and was a member of the Crewkerne and District U3A. She will be hugely missed by staff and councillors.
