Hello,

My name is [REDACTED] and I live on [REDACTED] in Crewkerne.

I understand that you have air monitoring equipment on the outside of the Town Hall to record the air quality / pollution.

Under the Freedom of Information Act, please may I have the results for all the readings since it has been installed?

Many thanks,

**Response:**

Good morning,

Thank you for your email dated 8th December 2025, requesting the below information under the Freedom of Information Act. The Air Quality Monitor has not been in use for some time due to the substantial subscription costs associated with it. I am including the only information I have been able to find on the matter and I am including a copy for your information. In accordance with usual procedure this request and the response will be copied to all Town Councillors and published on the Crewkerne Town Council website.

Kind regards

Gemma
